And then is it expected that the assessment will be reviewed by the SAB again?

Also wanted to note that Diana called me today and told me a few things that were relevant for the public teleconference:

Hi Diana,

Here are the written comments from EPA. We plan to cover these topics briefly at the teleconference on Friday, August 21st but thought the written version would be helpful for the panel to see beforehand.

Let me know if you have any questions!

Thanks,
Samantha
